

RACE INFO

St George's Qualifier for the
2014 NESSA Fleet Racing Championship
(George O'Day trophy)

Date: Saturday April 26, 2014 **Report Time:** 0900 hours

This is for those people who will be attending the qualifier hosted by St. George's at Ida Lewis YC. We're looking forward to seeing you all bright and early on Saturday.

Facilities at Ida are limited so be prepared for a day with minimal shelter and facilities.

Parking

There is some parking on either side of the road near the club and more all along the road (back towards town). Once you've parked walk out to the club. There will be a packet there for you which will contain sailing instructions, a boat rotation sheet, a race participation form, and some protest forms.

Entry fee, due at check in is \$10. Check (made payable to NESSA) or EXACT CASH is OK.

The official notice board will be in the the old phone booth, next to the lockers – that'll make sense when you arrive.

We will need help from coaches to run this regatta including volunteers for:

1. Monitoring the docks so that boat rotations occur quickly and without damage
2. Start boat (2 coaches)
3. Finish boat (2 coaches) –courses I have attached a course diagram sheet that illustrates likely courses.
4. Mark boat

We'll rotate coaches through all of these positions during the day so please be ready to help out. If you have VHF it would be great if you could bring it. We will operate on channel 72.

We will sail two A two B etc. with rotations off the dock. We'll sail

without a break for lunch so bring lunch or order it to be delivered.

“A” division sailors should be ready to go the moment the sailors’ meeting is over as the first race will start very shortly after the conclusion of this meeting.

There will be a brief coaches meeting before the sailors’ meeting.

PLEASE REMEMBER THE WATER BOTTLE POLICY

If you need to contact me, either email me or give me a call my cell 401 835 0041. Look forward to seeing you all this weekend....Roy
